FOR IMMEDIATE RELEASE

AsukaBook Design Templates Now Available Through Red Boot Design

New York, NY, PhotoPlus Expo Booth #848 (October 22, 2009) – AsukaBook USA, a division of Kubota Photo Design Inc. and producer of the finest quality coffee table style books, announces today that its album design templates have been added to Red Boot Design's list of products and services.

Red Boot Design, also a division of Kubota Photo Design, Inc., will continue to specialize in one-of-a-kind custom album designs, but will now also offer the convenience of AsukaBook design templates for photographers who want to create an album quickly and effortlessly on their own.

“We are delighted that Red Boot Design has made design templates available to AsukaBook's customers,” said Sarah Calahan, Business Development Director of AsukaBook USA. “So whether a photographer needs a custom designed album or something quick and easy, Red Boot Design has their needs covered.”

Red Boot Design's album templates for AsukaBook will start around \$20-\$30, and will feature a variety of styles and popular themes such as wedding, baby, senior, family, and more. The templates will be fully editable in Photoshop® to allow photographers to edit the designs to the needs of their individual clients. Red Boot Design will add new album templates to their collection as they become available.
