Kubota Image Tools Announces Free Webinar Wednesdays Winter 2010 Schedule

Educational webinars open to professional photographers of all levels

Bend, OR, (January 7, 2010) – Kubota Image Tools announces its Webinar Wednesdays Winter 2010 schedule. These free online educational opportunities are created with today's busy digital photographer in mind. Webinar attendees will have a chance to learn tips and tricks for using the Kubota **DASHBOARD™**, Kubota AutoAlbum, and much more.

"Last year we began the Webinar Wednesday series of free webinars to help professional photographers learn all they can about using software products from Kubota Image Tools to enhance their competitive edge and improve their day-to-day workflow," said Kevin Kubota, Idea Man of Kubota Image Tools and creator of all Kubota Actions. "These popular 30 minute webinars are great educational experiences for all that attend and we're happy to be continuing them in 2010."

Each seminar begins at 10:00 am PST, 1:00 pm EST. Upcoming webinars will take place January 27th, February 3rd, 17th and 24th, and March 3rd, 17th and 24th. Webinar Wednesday's will cover topics such as Kubota **DASHBOARD** Creative Effects, Advanced **DASHBOARD** Tips, Using Kubota AutoAlbum V.3 to create a 10-page sample book in record time, and Kubota **DASHBOARD** image enhancing techniques such as: Black-and-White, Color Effects and Advanced Tips.

For more information about the complete Kubota Image Tools 2010 Webinar schedule and to register, please visit: http://www.kubotaimagetools.com/webinar_schedule.html . Once registered, attendees need only log-in from their computer at the scheduled date and time.

About Kubota Image Tools

Bend, OR-based Kubota Image Tools (www.KubotaImageTools.com) is the source for time-saving and award-winning image-enhancing Photoshop® Actions and Lightroom® Presets and inspiring international workshops designed to empower professional photographers.

Kubota Image Tools grew from the digital experience of Kevin Kubota who began pioneering the field of completely digital wedding photography in the 1990s. Also the President and Owner of Kubota Photo Design Inc. (www.KubotaPhotoDesign.com), Kevin has been working with Photoshop and has been a digital/computer educator since 1993.

Webinar Wednesdays Winter 2010 Schedule (cont'd)

Throughout each year, Kevin shares his experience and natural teaching ability with other photographers through the award-winning Digital Photography Bootcamp[®], a five-day intensive workshop which consistently sells out. He has successfully trained thousands of photographers to make the digital transition and continuously empowers existing digital photographers with new, effective workflow ideas and outstanding Photoshop techniques. Kevin also presents seminars on Digital Imaging, Workflow, and Photoshop for professional photographers for national associations including WPPI, PPA, and many state associations.

Kevin is also the author of the book *Digital Photography Boot Camp: A Step-by-Step Guide for Professionals*, now in its second edition, published by Amherst Media. Through his ever evolving blog, Kevin provides tips and tricks on all things digital.
