Kubota Image Tools Announces Webinar Wednesdays Fall Schedule

Free educational webinars open to professional photographers of all levels

Bend, OR (September 22, 2009) – Kubota Image Tools announces today its Webinar Wednesdays Fall schedule. These free online educational opportunities are created with today's busy digital photographer in mind. Webinar attendees will have a chance to learn tips and tricks for using the Kubota **DASHBOARD**, Kubota AutoAlbum, Kubota Workflow and much more.

"Early this summer we began the Webinar Wednesday series of free webinars to help professional photographers learn all they can about using software products from Kubota Image Tools to enhance their day-to-day workflow," said Kevin Kubota, Idea Man of Kubota Image Tools and creator of all Kubota Actions. "These popular 30 minute webinars are great educational experiences for all that attend."

Each seminar begins at 10:00 am PST, 1:00 pm EST. Upcoming webinars will take place September 23rd and 30th, October 7th, 14th and the 28th and December 2nd, 9th and 16th. Webinar Wednesday's will cover topics such as Kubota **DASHBOARD** Basics, Kubota AutoAlbum V.3, Lightspeed Workflow Basics – SpeedKeys and Kubota **DASHBOARD** image enhancing techniques such as: Black-and-White and Advanced Tips.

About Kubota Image Tools

Kubota Image Tools (www.kubotaimagetools.com) grew from the digital experience of Kevin Kubota who began pioneering the field of completely digital wedding photography in the 1990s. As one of the first photographers to master digital imaging, Kevin became inspired to share his experience and natural teaching ability with other photographers by founding the original Digital Photography Bootcamp® which consistently fills to capacity. He has successfully trained thousands of photographers to make the digital transition and continuously empowers existing digital photographers with new, effective workflow ideas and outstanding Photoshop techniques. Kevin Kubota's wedding, portrait and commercial photography Web site is www.KubotaPhotoDesign.com.
