Kubota Image Tools Showcases Multi-Lingual Products and Meets with Distributors at Photokina Trade Show

Cologne, Germany, Photokina Hall 4, Aisle D, Booth 18A (September 26, 2006)

Exhibiting for the first time at Photokina, Kubota Image Tools will be showcasing its full product line of Kubota Image Tools Photoshop® Actions and related products aimed at the professional photographer. Kubota Image Tools will also premier multi-lingual versions (French, German, Spanish and Italian) of Artistic Tools Volume 1, Artistic Tools Volume 2 and Production Tools Volume 1.

In addition, for the first time ever, Kubota Image Tools will be meeting with international distributors at their booth (Hall 4, Aisle D, Booth 18A) interested in selling this popular line of high-end software products that have been specifically designed by Photographer Kevin Kubota to enhance and simplify the workflow of professional photographers worldwide.

“We’re thrilled to be expanding our line of professional imaging tools to the international marketplace,” said Kevin Kubota, Idea Guy of Kubota Image Tools. “Our goal is to empower photographers around the world as we have done for the past five years in America by simplifying post production activities allowing them to focus on the art of picture-taking.”

Software products from Kubota Image Tools include: Kubota Artistic Tools Vol. 1 and Vol. 2, Kubota Productions Tools Vol. 1, Sloppy Borders, and AutoAlbum™ Vol. 2. Additional product information is available at www.KubotaImageTools.com.

About Kubota Image Tools

Kubota Image Tools grew from the digital experience of Kevin Kubota who began pioneering the field of completely digital wedding photography in the 1990s. As one of the first photographers to master digital imaging, Kevin became inspired to share his experience and natural teaching ability with other photographers by founding the original Digital Photography Bootcamp™ which consistently sells out. He has successfully trained thousands of photographers to make the digital transition and continuously empowers existing digital photographers with new, effective workflow ideas and outstanding Photoshop® techniques.

Kevin Kubota’s wedding, portrait and commercial photography Web site is www.KubotaPhotoDesign.com.
