

FOR IMMEDIATE RELEASE

onOne Software Outlines Product Support for Adobe® Photoshop® CS4 and Photoshop CS4 Extended

*Digital photography software developer outlines product specific support for
Adobe Photoshop CS4 and Photoshop CS4 Extended*

Portland, OR– September 24, 2008 – onOne Software, Inc., a leading developer of innovative software tools for photographers, today announces that all of their currently shipping Photoshop software plug-ins are already compatible with the new Adobe® Photoshop® CS4 and Photoshop CS4 Extended software announced yesterday by Adobe. Specifically, the following Photoshop plug-ins from onOne Software are compatible with Photoshop CS4 and Photoshop CS4 Extended.

- Plug-In Suite 4
- Genuine Fractals 5 Print Pro
- Genuine Fractals 5
- PhotoTools 1 Professional Edition
- PhotoTools 1 Standard Edition
- PhotoFrame 4 Professional Edition
- PhotoFrame 4 Standard Edition
- Mask Pro 4.1
- PhotoTune 2.2
- FocalPoint 1

"We're certain that users of our Photoshop plug-ins will find Adobe Photoshop CS4 and Photoshop CS4 Extended software to be very compelling upgrades," said Craig Keudell, president of onOne Software. "We're delighted to announce that all of the current versions of our plug-ins are already compatible with both Photoshop CS4 and Photoshop CS4 Extended so that our users can continue to maximize the power of Photoshop by simply running the installers they already have after installing Photoshop CS4."

"It's great to see plug-in developers like onOne rally around this latest release of Photoshop CS4 and Photoshop CS4 Extended," said Kevin Connor, vice president of product management for professional digital imaging at Adobe. "onOne added Photoshop CS4 and Photoshop CS4 Extended support to their products quickly, so photographers and designers can easily make the move to one of the most highly anticipated releases of the Photoshop family line. Photoshop CS4 and Photoshop CS4 Extended are designed to be open applications, so our partners can easily extend the value of the software and provide more creative and innovative options to the customers we serve."

**onOne Software Announces
Support Photoshop CS4 & CS4 Extended (cont'd)**

Installing onOne Software plug-ins with Photoshop CS4

To enable the Photoshop plug-ins listed above to work with Photoshop CS4 or Photoshop CS4 Extended, owners of the products listed above can simply run the installer they already have for the respective plug-in after successfully installing Photoshop CS4 or Photoshop CS4 Extended.

Upgrade Information

Registered owners of previous versions of the onOne Software plug-ins for Photoshop listed above can upgrade to the current version of each plug-in for only \$99.95 plus shipping if applicable. Alternately, these users may also upgrade directly to the Plug-In Suite 4 for \$399.95, plus shipping if applicable (electronic versions are available for download as well). The Plug-In Suite 4 includes the most recent versions of all onOne Software plug-ins. Upgrades from Plug-In Suite 1, 2 or 3 to the Plug-In Suite 4 are available for \$199.95 plus shipping if applicable. More information about onOne Software's upgrade program can be found at <http://www.ononesoftware.com/upgrade>.

About onOne Software

onOne Software, Inc. a leading developer of innovative software tools for photographers, develops time-saving software solutions for professional and advanced amateur photographers. onOne Software solutions have been created to help photographers spend more of their time behind the camera taking pictures instead of the computer workstation. Such solutions include a wide range of easy-to-use plug-in enhancements for Adobe® Photoshop®, Photoshop Elements and Photoshop Lightroom.

onOne Software delivers the highest quality software products to users by working with industry leaders and continuing to develop core technologies for professional photo solutions on both Macintosh and Windows operating systems. Founded in 2005, onOne Software is a privately held company located in Portland, Oregon. For additional information, visit www.ononesoftware.com or call 1-888-968-1468.
