

## PocketWizard® Photo Products Announces the G-Wiz Vault Storage Solution

*PocketWizard G-Wiz Vault gadget bag perfect for the safe and convenient storage of multiple radios, cameras and accessories*

**So. Burlington, VT – February 5, 2013** – LPA Design, manufacturers of [PocketWizard](#) Photo Products, the world leader in wireless control of cameras, flash lighting and light meters, announces today the new [G-Wiz Vault](#) bag. Designed for use with the PocketWizard MultiMAX®, Plus® II or FlexTT5® Transceivers and accessories, this padded gear bag is also the perfect size to protect a full-sized DSLR camera.

“Many photographers own several PocketWizard radios and the new G-Wiz Vault bag offers them a storage solution that keeps them safe when not in use.” said Dave Schmidt, LPA Design’s VP of Marketing. “We’ve also designed the G-Wiz line as a convenient storage solution for other photo gear and the G-Wiz Vault is sized to fit any full size DSLR camera body or other accessories.”

The new PocketWizard G-Wiz Vault bag holds up to six MultiMAX or Plus II radios with connector cables, ten FlexTT5’s, or one full-size DSLR camera body. The Vault features three movable or removable hook-n-loop padded dividers allowing photographers to customize this bag to fit their gear-packing needs. Available in three colors, the G-Wiz Vault opens from the top allowing photographers to ensure at a glance that all their PocketWizard gear is neatly and safely packed away.

Features include: three movable hook-n-loop padded dividers, zippered inside pocket, Super-Snap closure attachment straps with grab handle and durable rip-stop nylon construction. Available in Black, Orange and Blue, the PocketWizard G-Wiz Vault bag is priced around \$28. Dimensions: 6" x 6" x 3.5". Capacity: 126in<sup>3</sup>
